

Pray for me

Bohemia 2014

1)

A huge crowd frown upon me and my empty pockets,
sayin' – poor, poor.

To stay calm is easier when I'm hitting the road
as same as – wild animals, wild wild animals.

Lately it seems to be small for me this planet
chained by – rules, rules.

Someday I feel like I'm hero saving world,
other day just feel like – fool, fool.

But I'm not, no

No I'm not, no

No I'm not, no

Even though my mind is hazy

Pray for me, You sinners there in hellish hole

My coat's from – wool, wool.

Bridge

Please don't stop to follow me,
look upon everything I do.

Just don't stop to follow me
and perceive everything I do

Please don't stop to follow me,
look upon everything I do.

Just don't stop to follow me
and perceive everything I do...
