
RUN FOR MY LIFE

1)

You see me like a stranger, can feel your fear
Do you know why am I running?
I don't want to be your enemy
You know I'm scared too, my heart is crying

2)

Pain is filling up my body pain is filling up my mind
They came to my town longing to kill
But I don't want to be a victim I don't wanna die
Oh try to understand
That I'm a human being, human being like you...

3)

You see me like a danger I know you do
Between us a barbed wire
And it's never been worse but the place where I grew up
Nothing but death so life expired
God knows I wish I could end up this war
[So then we could go home] 2x
Go home...

BRIDGE)

Where am I and who are these people
Who can deny us right to survive
Where am I that we are not equal
Man to man,..forgive me my wish to stay alive

CH)

Run for run for run for your life
But always keep in your mind Motherland is just one
So listen - run for run for run for your life
But if everybody run away then who stay to protect our town

Shame me blame me whatever you want
I can be humble but you never can break me
'Cause I am a good man they just came with the bombs
Fractions of the past only remain stilly waiting

MEZ)

And my mind used to dwell in peace
But things have changed. Now there's no salvation no release
And my mind used to dwell in peace
Now here we go, no salvation no release

So I run for run for run for my life
And always keep in my mind Motherland is just one
You know I run for run for run for my life...
[Run for my life] 4x
