# WEEPY BRIDE

1)

Weepy bride with purple vein  
one aim only, she goes just straight  
and so what makes her feel sad?  
When today's her lucky day  
her lucky day, henna?

2)

Up to now as well as  
in the lucent future she will love jazz  
'cause it makes her feel so fan-  
-tastic at the same time, yeah...

3)

Week by week, year by year  
oh she never got bored of that jazzy scene  
and really everything she wanted  
was dancing all night long  
all night long henna?

2)

CH)

Tearing  
too scary for daring to ask you if [you marry me] 3x  
I've never been in love so  
stop crying let the silence blow never dying [never leave behind] 2x  
what we've found at last in our hearts.

5)

[One two three four five six  
put all that lazy jazzy tones together.] 3x  
Listen a watch my body how I'm spinning around  
I'm hot baby you know, never say never.  
Yeah...
